Customer No. : 0832

TERMINAL DISCLAIMER

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

I, John F. Hoffman, Regis. No. 26,280, am an Attorney of Record representing the Applicant in U.S. Patent Application Serial No. 09/936,916, filed November 26, 2001. Schott Glas is the owner of 100 percent (100%) of the entire right, title and interest in U.S. Patent Application Serial No. 09/936,916. I have reviewed the above-mentioned application and, to the best of my knowledge and belief, title to U.S. Patent Application Serial No. 09/936,916 is in Schott Glas.

Schott Glas hereby disclaims the terminal part of any patent granted on the above-identified patent application which would extend beyond the expiration date of the full statutory term of the patent granted for U.S. Patent Application Serial No. 09/937,074, entitled "METHOD OF FORMING GLASS-CERAMIC PARTS AND/OR GLASS PARTS", filed November 26, 2001, which is owned solely by Schott Glas, and agrees that any patent so granted on the above-identified application shall be enforceable only for and during such period that the legal title of said patent shall be the same as the legal title to any patent granted on U.S. Patent Application Serial No. 09/937,074, filed November 26, 2001, this

PATENT

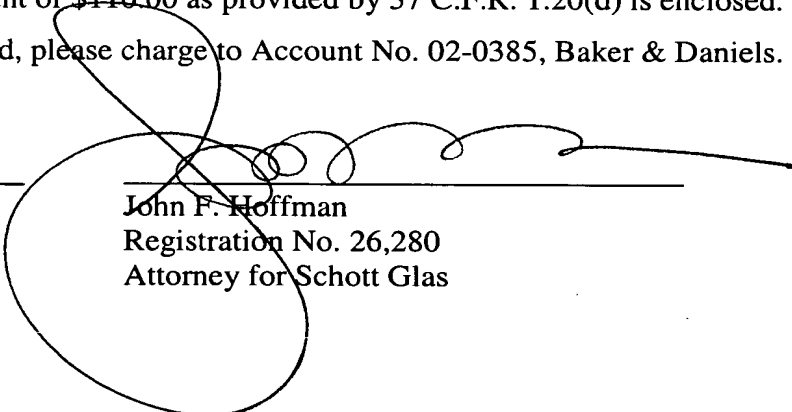

agreement to run with any patent granted and to be binding upon the grantee of such patent, its successor or assigns.

Petitioner does not disclaim any terminal part of any patent granted on U.S. Patent Application Serial No. 09/936,916, filed November 26, 2001, prior to the expiration date of the full statutory term of the patent granted for U.S. Patent Application Serial No. 09/937,074 in the event that any patent granted on U.S. Patent Application Serial No. 09/937,074 later expires for failure to pay a maintenance fee, is held unenforceable, is found invalid, is statutorily disclaimed in whole or terminally disclaimed under 37 C.F.R. §1.321(a), has all claims cancelled by a reexamination certificate, or is otherwise terminated prior to the expiration of its statutory term as presently shortened by any terminal disclaimer.

I hereby declare that all statements made herein of my own knowledge are true, and that all statements made on information and belief are believed to be true; and further, that these statements are made with the knowledge that willful false statements, and the like so made, are punishable by fine or imprisonment, or both, under Section 1001, Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the U.S. Patent Application Serial No. 09/936,916 or any patent issuing thereon.

A check in the amount of \$110.00 as provided by 37 C.F.R. 1.20(d) is enclosed. If any additional fee is required, please charge to Account No. 02-0385, Baker & Daniels.

Date: December 22, 2004
